

UN VOLUNTEERS

Arab States

We are
inspiration
in action

How to become a UN Volunteer?

1

Register at
app.unv.org

Register your profile in the Unified Volunteering Platform (UVP). Choose where you want to volunteer (abroad, in your home country, or online), and list your educational background, professional experience, skills, languages, etc.

Follow UNV Social Media accounts and regularly check for UNV assignments at UNV website: www.unv.org, or through the Unified Volunteering Platform (UVP).

2

Keep your UVP profile up-to-date with every new academic, professional, volunteering or any other experience, skill, training, etc.

You can even volunteer from home!

You can contribute to the achievement of the SDGs and strengthen your professional skills and competencies online, from anywhere in the world, through the same platform:

app.unv.org

www.unv.org
