## ABOUT UNV

The United Nations Volunteers (UNV) programme contributes to peace and development through volunteerism worldwide. We work with partners to integrate qualified, highly motivated and well supported UN Volunteers into development programming and promote the value and global recognition of volunteerism.

Through the Online Volunteering service, UNV offers:

- A global platform for organizations and online volunteers to connect
- An easy-search database of online volunteering opportunities
- Tools to manage volunteers' and organizations' online collaboration
- Access to online volunteering experiences, best practices and lessons learned
- The possibility for volunteers and organizations to expand their networks
- The advantage of the universal reach and neutrality of the United Nations
